

The National Institute of Allergy and Infectious Diseases (NIAID), a component of the National Institutes of Health (NIH), is advertising for a Public Health Analyst on its legislative affairs team:

<http://jobsearch.usajobs.gov/search.aspx?q=NIAID+10+358071&sort=rv,-dtex&vw=b&re=134&FedEmp=Y&FedPub=Y&jbf565=&caller=default.aspx>

As a Public Health Analyst you will join the staff of the Legislative Affairs and Correspondence Management Branch of the Office of Communications and Government Relations in monitoring and analyzing Congressional activities and legislation related to the NIAID mission. You will prepare testimony and briefing materials for the Director's use in Congressional hearings and also prepare reports and special presentations.
